

The VELOCITY is the evolution of ORTLIEB's legendary Messenger bags, trusted by professional bike couriers since 1992. Inspired by decades of daily use on city streets, it combines a spacious IP64 waterproof compartment, fast roll-top access and proven durability with the comfort and practicality required for modern everyday carry. Built in Germany, designed for repair, and made to withstand years of use, the VELOCITY brings authentic messenger bag heritage into a versatile backpack for commuting, work and life beyond the ride.
