# ORTLIEB DRY-BAG PS10

## SUPER LIGHTWEIGHT DRY BAG WITH ROLL CLOSURE

The ORTLIEB PS10 dry bags are made of a super light weight nylon fabric and are perfectly suitable as internal organizers inside non waterproof luggage such as sewn backpacks, bike panniers or travel bags. They keep your clothes, sleeping bag and other gear dry and clean.

Like all ORTLIEB dry bags they feature the smart and simple roll closure and extremely durable 3-D welding seams.

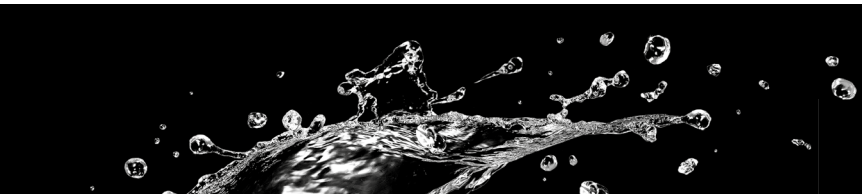

Five colours and sizes help clear structuring and organisation of small utensils in your luggage. The stable round base is provided with a bottom loop for holding when emptying the bag, or as fixing loop and pulling aid.
