

ORTLIEB SPORT-ROLLER CLASSIC (PAIR)

UNIVERSAL PANNIERS WITH ROLL CLOSURE

The Sport-Roller Classic panniers for lowrider racks are perfectly suitable for children's and youth bikes. Thanks to the convenient QL2.1 mounting system with automatically locking hooks, the panniers can be quickly and easily mounted to almost any rack. A standard feature of all ORTLIEB touring panniers is the mounting system that is adjustable without requiring any tools. The 16 mm hook diameter can be reduced by means of inserts (8, 10 and 11 mm). The lower hook rail has an anti-scratch surface reducing abrasions on the rack. Thanks to a rotatable QL2.1 hook, the system is adjustable to almost any rack.

The panniers are supplied with a shoulder strap and can be carried like a shoulder bag. A fixed inner pocket with main compartment and zippered mesh pocket helps organizing small items. Two large reflectors ensure additional safety in dusk and at night.

OPTIONAL ACCESSORIES

Carrying System Bike Pannier: it converts the pannier into a daypack, Outer Pocket: additional packing volume for longer bike tours can be achieved with the outer pockets in size 1.8 L, Mesh-Pocket, Bottle-Cage, Anti-Theft Device (E125), QL2.1 hook 20mm (E193).
